U.T.A. ONLUS ASSOCIATION AND TANGUIÈTA-ONLUS ASSOCIATION. 'ADOPT A BED' INITIATIVE

The Bertolini Group supports the 'Adopt a bed' initiative promoted by Dr Daniele Montrucoli, a senology surgeon within the Ginevrina Foundation for Education and Medical Research. In 2008 Dr Montrucoli prepared a photo album entitled 'Armatan' and the funds from its sale supported the U.T.A. Onlus in the Association of the Friends of Tanguietà-Onlus. Both associations are involved in helping and supporting the African hospitals of Tanguietà in Benin and Afagnan in Togo.
