

BERTOLINI
Dott. GUSTAVO srl

'MEDIKANTO' ASSOCIATION

The Bertolini Group supports the 'Medikanto' non-profit organisation, which gathers gastroenterologists involved in health prevention initiatives. The association has run a number of projects, one of them being an educational anti-alcohol campaign aimed at young people. In their communication Medikanto uses expressive techniques borrowed from the world of art, in particular music, cinema, video design and painting. In fact, the key element of the project is a musical piece 'Mediobevo' composed by Prof. Elio Jovine (Head of Surgery Department of USL Bologna), Dr. Vincenzo Cennamo (gastroenterologist from Sant'Orsola), Dr. Carlo Fabbri (gastroenterologist from Bellaria), Dr. Francesco Landi (anaesthetist from Maggiore) and Dr. Giovanni Landolfo (surgeon from San Marino).
